We are allowing everyone the ability/option to book any 2 spots within the 5 qualifying shifts. Once you have checked-in (see "Check-in" below) for a qualifying shift you may reserve a spot in a subsequent shift. **(any one person can only have a maximum of 2 shifts booked at any one time)** Waiting lists will be started as needed & managed accordingly.

As of Thursday February 22<sup>nd</sup>, we will no longer be accepting entries via the website. For any changes or additions during the weekend; talk to committee on-site (*preferred*) or call the bowling center at 306-586-2626. **We ask that you please notify us, as soon as possible, if you are not needing your reserved qualifying spot(s) to give us time to reach out to anyone that may be on the waitlist.**

### Check-In (Qualifying Shifts)

Check-in will open 1 hour prior to actual shift start times and consists of; bowlers physically checking-in, payment & drawing their lane assignment. **15 minutes prior to the actual shift start time, bowlers with reserved spots, will be responsible to be checked-in with the committee staff, pay and draw their lane assignment.** Bowlers who have reserved a spot and NOT checked-in 15 minutes prior to the actual shift start time will relinquish their reserved spot to the waiting list, if there is one. This applies to both paid and unpaid reserved spots. Those bowlers on the waiting list need to be present 15 minutes prior to the actual shift start time in order to check-in, when spots become available. *(Any changes to start times will be advertised on Facebook and at the Lanes)*
